## WITHDRAWAL OF STUDENTS ABSENT FOR TEN CONSECUTIVE DAYS

APS School District procedure states, a student who has been absent for ten (10) consecutive days without parental notification to the school, can be withdrawn from school. It is important that parents notify the school of all absences. In addition, parents who voluntarily take their child out of school for extended periods of time longer than ten (10) school days will also have the student withdrawn from school. All books and materials are to be collected. The parent may re-enroll the student later as long as the student resides in the school's attendance area.

### *SEVEN SECRETS TO STRESS-FREE MORNINGS*

It's the back-to-school scene every parent dreads: The alarm clock rings, but the kids don't get up. And when they finally do, the real craziness begins. According to a survey commissioned by Lands' End, many families try to cram a day's worth of activities, such as doing household chores, eating breakfast and watching TV, into the precious time before work and school. Simplify your morning routine and make getting up and out the door a little less hectic.

**Create a calendar central.** Nothing calms chaos like a one stop spot for family time management. Track appointments, school functions, scout meetings, music lessons, lunch menus and activities all in one place. Each morning before you head out the door, simply consult the calendar and feel confident you're not forgetting anything.

**Focus on the basics.** Children will have reduced stress levels as well as better overall health if they eat well and get plenty of sleep. Aim for 10 hours a night for elementary-age kids and 8-9 hours for teens.

**Simplify breakfast.** Set the breakfast table after you clear the dinner dishes. Always keep a stash of healthy foods handy, including quick-fix choices, such as granola bars, washed fruit and yogurt, for breakfast on the run.

**Solve clothing chaos.** According to the Lands' End survey, choosing the right outfit is the biggest morning time-waster. Things will go more smoothly if you plan clothing choices with your child the night before. Make sure everything is clean and ready to go for the morning.

**Take a team approach.** Ask each family member for ideas about how to cut down on morning mayhem. When children participate in coming up with solutions, they feel more responsible for the problem and its outcome.

**Get organized.** Designate a single, convenient location to contain all the out-the-door essentials such as backpacks, homework, permission slips, lunch money, keys and library books. Each family member should also have her own cubby or shelf.

**Set the example.** Keeping calm and cool is probably the most important thing a parent can do. If you're feeling stressed out, chances are your kids will be, too.
